

# Front or Inside Wedding Verse Examples

Two hearts that beat as one...

A new day  
A new life  
Together...

This day our hearts are joined as one

This day, I will marry my friend,  
the one who shares my dreams

One love that is shared by two...

Each of us a half...incomplete  
together we are as one

This day I will marry my friend, the one  
I laugh with, live for, dream with, love

With an endless love  
we'll share our thoughts,  
our dreams, ourselves

On our wedding day  
a new life has its start  
We'll share with each other  
one love, one dream, one heart

The love we share today shines from  
sunrise to sunrise,  
growing brighter year to year  
as we share our lives

The promise of our life together is as  
bright as the colors of the rainbow  
Love fills the moment,  
and the moment begins an eternity  
Love fills a lifetime, and a lifetime  
begins this hour

In the sweetness of love,  
let there be laughter,  
and in all our tomorrows,  
the freshness of today

The miracle of love is that love is given  
to us to give to one another...

As our marriage brings  
new meaning to love,  
so our love brings  
new meaning to life

A fresh new day, and it is ours,  
a day of happy beginnings

A time for love  
A time for us

Take my hand  
and say you will follow me

To have and to hold  
from this day forward

How beautiful is the day  
that is touched by Love

Our life together begins this day

Love lights the hearts  
of those who share it

The daisies of the field are as fresh  
and perfect as our love...

As gentle as a butterfly,  
love emerged from our hearts  
and together, we soar

Take my hand and  
say you will follow me

The path that leads to  
happiness is so narrow that  
two cannot walk on it,  
unless they become one

and my beloved is mine...

ever so beautiful,

his and mine are the same.

As the tress burst into color  
and the autumn season arrives  
we pledge our faith, our love, our lives.
